

## Singing 1956/57 (ish)

Below is a photograph taken in 1956/57. I received it from an ex-pupil. He was a resident of Sutton Bonington and was one of the first pupils at the school. Here is a copy of the email that he sent to me prior to sending the photograph:

*Dear David*

*As you will see subject? I and a lot of others were sent there in September 1956 from Sutton Bonnington school picking up from Normanton, Stanford Upon Soar then school so it was a bit of journey morning and night, I think I have some photographs so I will look them out You were right it was an excellent school and I am very proud to have been there, But I must stress they were a lot more strict then believe me.*

*Regards for now*
